Lucy the Dragon

Illustrations and poetry by Jeff Gardner

Not just for children,
 Lucy is also a story for
 the young at heart.

Lucy the Dragon

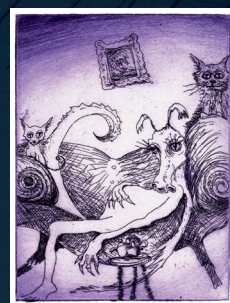

With wit and humour Jeff Gardner has created a sensitive dragon whose one fault is that she likes to eat 'rabbit jam.' She also likes to sit on the couch with a pot of raspberry tea, two old cats and perhaps a mouse.

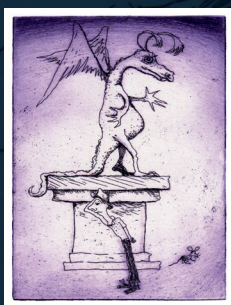

*A disappointed Lucy at the loss
Of her friends ate all the pancakes
Without rabbit jam
Poor, poor Lucy without any jam
Had no option
But to become a vegetarian*

*When Lucy lived in a house
With two old cats
And a crushed couch
She liked to watch TV
With popcorn and a pot
Of raspberry tea*

*On Saturdays she would
Have some fun and eat
So many people it was
Nearly everyone*

A selection of six original etchings have been printed in small editions of 15.

Exclusive to Cascade Art. RRP \$150 GST inclusive.
